5.3 lb. (2.4kg)

Size and weight may vary depending on configuration

Power

65-watt AC adapter

Six-cell lithium ion battery: up to 3.5 hours life depending on configuration and usage; 2.5 hours recharge time with power off, 3.5 hours with power on

Compliance

Energy Star®
Wi-Fi CERTIFIED™

Security Features

User, administrator and hard drive passwords
Kensington® lock slot

Limited Warranty*

One- or two-year parts and labor limited warranty* with concurrent International Traveler's Warranty**

*For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs.

**Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to <http://global.acer.com/support/itw.htm>. or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada.

Specifications are subject to change without notice.
